March 5, 2010

Mr. Nigel Chapil, Manager
Real Canadian Superstore
9 Haineault St.
Fort McMurray, AB T9H 1R8

Dear Mr. Chapil:

I am applying for the part-time cashier position that was recently advertised on the Fort McMurray Today website for your store. I am interested in applying for this position because it is a great opportunity to gain valuable work experience while making an important contribution to your staff.

I am a Grade 11 student at Fort McMurray Composite High School who is actively involved in student leadership and basketball. Though I have not had a part-time job before, I have babysat for three years and I am very responsible and dedicated. I have participated in competitive swimming for over 10 years, and have learned many skills, such as determination, time management, and the ability to focus on my goals. I am confident that my commitment, enthusiasm, and willingness to learn are qualities that make me a strong candidate for this position.

Thank you for considering my application. I look forward to hearing from you. I will call you on March 15th to arrange an interview if I have not heard from you by then.

Yours truly,

Mia Singer
